NARRATIVE:

Whitfield has an extensive adult criminal history that began at the age of 20. His convictions include possession of dangerous weapons, domestic violence with injury, attempted robbery, multiple cases of battery, multiple cases for possession of narcotics, possession and sale of a controlled substance, false identification to a peace officer and failing to report. He has served multiple state prison terms the longest a 3 year term for possession of narcotics. Whitfield was released from state prison to the supervision of the Los Angeles County Probation Department on June 2nd, 2014. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in June 2014 after he absconded from post release community supervision (PRCS). Whitfield qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for possession and sale of a controlled substance is defined as non-serious and non-violent under the California penal code. His criminal history and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
